### **St. John Eudes on the Heart of Mary:**

The virginal Heart of the Mother of God is the faithful depository of all the mysteries and marvels of our Saviour's life, according to the testimony of St Luke: "And His mother kept all these words in her heart" (Luke 2:51). Her Heart is a living book, and eternal Gospel, in which the Holy Spirit has inscribed that wonderful life in letters of gold. It is this book of life we should incessantly study in order to understand perfectly and love ardently the beauty of all the Christian virtues, whose practice imparts true life. Above all, we ought to study the wondrous excellence of holy humility, as well as the way of practicing it and ridding our hearts entirely of the accursed canker-worm of pride and vanity which works such terrible havoc, not only in the souls of the children of perdition, but even in the hearts of the children of God

O Mother of Goodness, what obligations we have to honor thy most lovable heart in which thou hast preserved such precious treasures, for which be thou blessed for all eternity. Cause our names to be written in that book of life, we beseech thee, and help us to study deeply the beauteous truths and holy maxims inscribed therein.

**Consecration of the Sick to Mary:** O kind and good Mother, whose own soul was pierced by the sword of sorrow, look upon us while, in our sickness, we arraign ourselves beside Thee on the Calvary where Jesus hangs. Dowered with the high grace of suffering, and hopeful of fulfilling in our own flesh what is wanting in our sharing of Christ's passion, on behalf of His Mystical Body, the Church, we consecrate to Thee ourselves and our pain. We pray that Thou will place them on that Altar of the Cross to which Jesus is affixed. May they be little victims of propitiation for our salvation, for the salvation of all peoples. O Mother of Sorrows, accept this consecration. Strengthen our hopeful hearts, that as partakers of Christ's sufferings we may also share in his comfort now and for evermore. Amen.
