**FROM *DIVINI REDEMPTORIS*, ENCYCLICAL OF POPE PIUS XI ON ATHEISTIC COMMUNISM:**  
To hasten the advent of that peace of Christ in the kingdom of Christ so ardently desired by all, We place the vast campaign of the Church against world Communism under the standard of St. Joseph, her mighty Protector. He belongs to the working-class, and he bore the burdens of poverty for himself and the Holy Family, whose tender and vigilant head he was. To him was entrusted the Divine Child when Herod loosed his assassins against Him. In a life of faithful performance of everyday duties, he left an example for all those who must gain their bread by the toil of their hands. He won for himself the title of "The Just," serving thus as a living model of that Christian justice which should reign in social life.

**MEMORARE TO ST. JOSEPH:** Remember, most pure husband of Mary ever-Virgin, my loving protector Joseph, that never hath it been heard that any one invoked thy protection or asked aid of thee who has not been consoled. In this confidence I come before thee, I fervently recommend myself to thee. Despise not my prayer, reputed father of the Saviour of men, but do thou in thy pity receive it. Amen.

**Consecration of the Sick to Mary:** O kind and good Mother, whose own soul was pierced by the sword of sorrow, look upon us while, in our sickness, we arraign ourselves beside Thee on the Calvary where Jesus hangs. Dowered with the high grace of suffering, and hopeful of fulfilling in our own flesh what is wanting in our sharing of Christ's passion, on behalf of His Mystical Body, the Church, we consecrate to Thee ourselves and our pain. We pray that Thou will place them on that Altar of the Cross to which Jesus is affixed. May they be little victims of propitiation for our salvation, for the salvation of all peoples. O Mother of Sorrows, accept this consecration. Strengthen our hopeful hearts, that as partakers of Christ's sufferings we may also share in his comfort now and for evermore. Amen.
