FROM THE ENCYCLICAL *MYSTICI CORPORIS* OF POPE PIUS XII (1943): By means of the Eucharistic Sacrifice Christ our Lord willed to give the faithful a striking manifestation of our union among ourselves and with our divine Head, wonderful as it is and beyond all praise. For in this Sacrifice the sacred minister acts as the viceregent not only of our Savior but of the whole Mystical Body and of each one of the faithful. In this act of Sacrifice through the hands of the priest, by whose word alone the Immaculate Lamb is present on the altar, the faithful themselves, united with him in prayer and desire, offer to the Eternal Father a most acceptable victim of praise and propitiation for the needs of the whole Church. And as the Divine Redeemer, when dying on the Cross, offered Himself to the Eternal Father as Head of the whole human race, so in this clean oblation He offers to the heavenly Father not only Himself as Head of the Church, but in Himself His mystical members also, since He holds them all, even those who are weak and ailing, in His most loving Heart.

The Sacrament of the Eucharist is itself a striking and wonderful figure of the unity of the Church, if we consider how in the bread to be consecrated many grains go to form one whole, and that in it the very Author of supernatural grace is given to us, so that through Him we may receive the spirit of charity in which we are bidden to live now no longer our own life but the life of Christ, and to love the Redeemer Himself in all the members of His social Body.

As then in the sad and anxious times through which we are passing there are many who cling so firmly to Christ the Lord hidden beneath the Eucharistic veils that neither tribulation, nor distress, nor famine, nor nakedness, nor danger, nor persecution, nor the sword can separate them from His love, surely no doubt can remain that Holy Communion which once again in God's providence is much more frequented even from early childhood, may become a source of that fortitude which not infrequently makes Christians into heroes.

Consecration of the Sick to Mary: O kind and good Mother, whose own soul was pierced by the sword of sorrow, look upon us while, in our sickness, we arraign ourselves beside Thee on the Calvary where Jesus hangs. Dowered with the high grace of suffering, and hopeful of fulfilling in our own flesh what is wanting in our sharing of Christ's passion, on behalf of His Mystical Body, the Church, we consecrate to Thee ourselves and our pain. We pray that Thou will place them on that Altar of the Cross to which Jesus is affixed. May they be little victims of propitiation for our salvation, for the salvation of all peoples. O Mother of Sorrows, accept this consecration. Strengthen our hopeful hearts, that as partakers of Christ's sufferings we may also share in his comfort now and for evermore. Amen.
