### FROM DOM PROSPER GUERANGER FOR THE FEAST OF THE IMMACULATE HEART:

We must believe that Our Lady's charity could not possibly be defective: as her love of God surpasses the love of all the elect, so the tenderness of all mothers united, centered upon an only child, is nothing to the love wherewith Mary surrounds the least, the most forgotten, the most neglected of all the children of God, who are her children too. She forestalls them in her solicitude, listens at all times to their humble prayers, pursues them in their guilty flights, sustains their weakness, compassionates their ills, whether of body or of soul, and sheds upon all men the heavenly favors whereof she is the treasury .

**Consecration of the Sick to Mary:** O kind and good Mother, whose own soul was pierced by the sword of sorrow, look upon us while, in our sickness, we arraign ourselves beside Thee on the Calvary where Jesus hangs. Dowered with the high grace of suffering, and hopeful of fulfilling in our own flesh what is wanting in our sharing of Christ's passion, on behalf of His Mystical Body, the Church, we consecrate to Thee ourselves and our pain. We pray that Thou will place them on that Altar of the Cross to which Jesus is affixed. May they be little victims of propitiation for our salvation, for the salvation of all peoples. O Mother of Sorrows, accept this consecration. Strengthen our hopeful hearts, that as partakers of Christ's sufferings we may also share in his comfort now and for evermore. Amen.
